If there had been no one else in the cast except Lester Crawford, who took the part of the tramp in "Side-tracked," as the Barre opera house last night the production might have been considered entirely satisfactory. WHAT 12 1-2 CENTS WILL BUY

The following goods are put out for five days as leaders at 12 1/2c per yard. For Children's Dresses, Ladies' Shirt Waist Suits and even Street Dresses they are excellent values.

ARNOLD TAFFETAS.

Here are some of the most beautiful goods ever sold at this price, having a look that quite equals foulard silk and at the same time washes perfectly. The popular colors in these cloths are navy and cadet blues with black or white figures, reseda green with black or white figures, greys with black or white figures (these greys are very stylish this season), white with black figures and white with Persian figures, and your choice of this whole combination for 12 1/2c per yard.

MERCELINE SILKS.

Merceline Silk is a name given to a new mercerized cloth, the same weight as a Taffeta. Has a pebbled surface. Comes in plain and figured grounds. The figured ones have the same designs as Organdies. Made to sell at 29c. We found a little lot of these goods underpriced, so that we can sell them at 12 1/2c per yard.

GINGHAMS.

The Gingham in this sale are not regular 12 1/2c values. They are from a purchase made by us earlier in the season and comprise such values as Dark Hills, that sell in a regular way for 17 to 18c. These lots have all kinds of patterns; some of the best and some of the poorest. If you are first at them there will be no excuse for your getting the poor patterns. Your choice for 12 1/2c per yard.

LADIES' AND CHILDREN'S HOSE.
One style each of Ladies' and Children's Hose that we are giving as special values at two pairs for 25c or 12 1/2c per pair.

Cut your garment by a New Idea 10c Pattern and save material as well as price of pattern.

A. P. ABBOTT & CO.**SHAPELINESS**

The shape-retaining qualities of the Dorothy Dodd Shoe are one of its strong features. Of course it will wear out in time—all shoes do—but it ages imperceptibly without wearing into shapeless shabbiness. In fact its shapeliness will cling to it through all the wear that it is subjected to and still dignity it when old age claims it.

IF YOU BUY HERE YOU'RE SAFE

It's a great idea—when a merchant asks ten dollars for a Suit—the buyer offers six and the merchant "takes him up." The question is, what does "he" get? If the "he" means the merchant, HE gets the man's six dollars and his suspicion for evermore. If the "he" is the man, he gets left. If that merchant could afford to sell the garment for less than he asked, why did he not name the lowest price at once? Is that merchant reliable? Can you afford to risk his judgment? He certainly takes quite a load on his shoulders when he attempts to carry trade that way. We guarantee that you will pay here fully as much as your neighbor—and just as surely you'll pay just as little. We further guarantee you your money back on demand if you find your purchase unsatisfactory when you get home. If you buy here you're safe. If you are interested in Spring Suits or Overcoats we want to show you our handsome Spring lines at \$10.00, \$12.00, \$15.00 and \$25.00. If you pay less elsewhere you'll get less value.
